## Presence on NAHB International Builders' Show in Las Vegas

### Building Tools have Evolved over the Years. Building Technology has Advanced? Why use the same old House Wrap?

Valéron Strength Films® will be present at the upcoming NAHB International Builders' Show in Las Vegas on February 4-6<sup>th</sup> 2014, at the Las Vegas Convention Center, Nevada. You can find us at the ITW corner in booth #C2062.

At the industry leader in moisture management solutions, Valéron Vortec™ house wrap has a durable water-resistive drainage barrier unlike any other. With EVD Technology™, Vortec™ house wrap has a unique 3-D engineered surface that allows for non-directional installation and drainage of moisture. It helps protect homes from potential mold growth and structural damage. Vortec drainage barrier, your reliable house wrap!

If you would like to know more about what Vortec™ house wrap can mean for you, please feel free to contact us or come and see us at our booth #C2062
